Addendum No. 2

Dear Contractor:

This addendum is being issued to the contract for construction on State highway in NEVADA COUNTY ABOUT 0.3 km NORTH OF OLD STATE ROUTE 49.

Submit bids for this work with the understanding and full consideration of this addendum. The revisions declared in this addendum are an essential part of the contract.

This addendum is being issued to revise the Project Plans and the Notice to Contractors and Special Provisions.

Project Plan Sheet No. 5 is revised. A half-sized copy of the revised sheet is attached for substitution for the like-numbered sheet.

In the Special Provisions, Section 10-1.01, "ORDER OF WORK," the following paragraphs are added after the first paragraph:

"Attention is directed to the Underground Classification informational handout. The Contractor shall attend a prejob conference with the Division of Occupational Safety and Health prior to commencing any activity associated with construction or rehabilitation of the existing 4.57 meter Field Assembled Steel Plate Pipe. The culvert rehabilitation operation on this project has been classified "Non Gassy: by the State Division of Occupational Safety and Health under Section 8422 of the Tunnel Safety Orders."

All work shall be performed between July 1, 2001 and September 1, 2001.

Full compensation for conforming to the provisions in this section shall be considered as included in the prices paid for the various contract items of work involved and no additional compensation will be allowed therefor."

To Proposal and Contract book holders:

Attached is a copy of the Information Handout titled, "Underground Classification No. C188-057-01T".

Indicate receipt of this addendum by filling in the number of this addendum in the space provided on the signature page of the proposal.

Submit bids in the Proposal and Contract book you now possess. Holders who have already mailed their book will be contacted to arrange for the return of their book.

Inform subcontractors and suppliers as necessary.
